

## Clinical Practice in Pediatric Psychology®

Editor: Jennifer Verrill Schurman, PhD, ABPP

### SUBMIT YOUR MANUSCRIPT to an upcoming Special Issue on Integrated Primary Care

Guest Edited by Meghan Lines, PhD, the Special Issue seeks data-driven articles to inform practice of integrated pediatric primary care. Examples of appropriate manuscripts include:

- Culturally responsive prevention and intervention efforts
- Development and implementation of screening programs
- Adaptations of evidence-based interventions to delivery in the primary care setting
- Issues related to training, including interdisciplinary training and workforce development
- Economic evaluations, including the role of pediatric psychologists in value based systems
- Levels of primary care integration and the continuum from primary to specialty care
- Ethical decision making challenges within multidisciplinary team

Authors are strongly encouraged to submit a Letter of Intent (LOI) for potential manuscripts for this special issue. The deadline for LOIs is **July 15, 2019**, LOIs invited to submit a full manuscript will be informed by **September 1, 2019** and manuscripts will be due by **January 15, 2020**.
