SPEAKER

TONYA M. PALERMO, PHD

Editor, JPP

Seattle Children's Research Institute
Child Health, Behavior and Development
Seattle, WA

LEARNING OBJECTIVES

1. Learn how to identify a grant or funding opportunity for your research idea
2. Demonstrate the ability to construct effective specific aims
3. Recognize the essential review criteria for NIH proposals and how these criteria are applied in scoring grant applications
4. Discuss strategies used by successful grant writers to get their research applications funded

TARGET LEARNER LEVEL

Intermediate

CONTINUING EDUCATION: 2.0 CEs

The Society of Pediatric Psychology (Division 54 of the American Psychological Association) is approved by the American Psychological Association to sponsor continuing education for psychologists. The Society of Pediatric Psychology maintains responsibility for this program and its contents.
